PETITION TO REINSTATE APPLICATION

A Notice of Abandonment was issued in the above-identified patent application on December 9, 2003. The undersigned requests reinstatement in view of the following facts.

The Commissioner is authorized to charge attorney's Deposit Account 50-2041 the \$130.00 to satisfy the Petition fee. However, it is the undersigned's position that no petition fee should be due since the error appears to be one made by the U.S. Patent Office. If any additional fees are required to grant this petition or to gain entry of the Response to Notice to File Missing Parts discussed below, the Commissioner is authorized to charge attorney's Deposit Account 50-2041 (Whitham, Curtis & Christofferson).

Attached hereto is a copy of the Response to Notice to File Missing Parts which was timely filed In the U.S. Patent Office on August 13, 2003 and copies of the documents filed therewith. Also attached is a copy of a date stamped receipt from the U.S. Patent Office

evidencing filing of the documents. Given that the Response was timely filed, the USPTO should now withdraw the abandonment and reinstate the case for consideration by the Examiner without incurring a Petition Fee.

Respectfully submitted,
